Dad,

Almost had you still living  
at Johnson Av. Anyway,  
this is the place we're  
staying at. Our room is  
about 20 feet from the beach  
and about 100 feet from  
the sea. The sun is really  
nice! Mother would love it!  
So far we're not burned  
too bad, but still 4 days  
and a morning left (we leave  
at 2:40 pm on Thurs). Hope  
everything is well. Thanks  
for looking after the house!  
see ya soon,

Dear Mother

Thank you so much for  
your generous gift. I am glad to  
know that I was able to  
receive some. The one which  
went to my Aunt is small  
but we like. Just had a  
short stay today. I was gone  
from 9.30 to 12.40. We have more  
at 6.7.11. The presentation  
view of lights in the left  
Caroline last night was  
a spectacle. It looked like  
long Christmas tree along  
the banks. They were very  
very high. Just three people  
left. Weather has been  
excellent. Good night

THE OLD MILL - ARUBA  
Aruba, Netherlands Antilles

The Old Mill, which is one of the oldest buildings in Aruba, is very old and was brought to Aruba from the Netherlands. It is now a restaurant. It is the only one of its kind in this island mill.

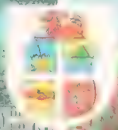

Hi Gail

We took the first dip  
in the ocean and thought  
of you - very hot and  
sunny - no waders or  
sea shells - we need a  
loan from the two of you -  
everything very expensive  
we had dinner at this
